(1) Table with Cup and Phone Holder

SET-UP INSTRUCTIONS

Step 1

Unfold by pressing back on backrest and down and out on armrest. Unfold frame to the fully reclined position to ensure legs are completely opened.

Step 2

After unfolding, return backrest to upright position by pushing down on legrest. Always enter and exit the Zero Gravity Chair from the full upright position with the footrest touching the ground.

Step 3

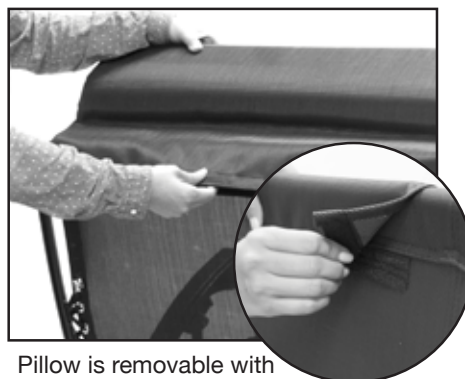

To recline, lean back and push the footrest out with your feet. To return to the upright position slowly sit forward while pushing down with your feet.

Step 4

With frame unfolded, you can now attach the Removable Table with Cup and Phone Holder. Table must be removed before folding up the Zero Gravity Chair. Can be attached to either side of chair.

Step 5

Pillow is removable with hook and loop enclosures.

Step 6

Fold up for storage or travel.
